

## VACANCY : INDUSTRIAL ENGINEER

Lindsay Africa is part of Lindsay Corporation ([www.lindsay.com](http://www.lindsay.com)) and produces pivot irrigation systems for the African agricultural market in our factory in Bellville South, Cape Town

We have a vacancy for a recently graduated Industrial Engineer with a mechanical aptitude.

Main functions include:

- Process and productivity improvements
- System improvements
- Lean Manufacturing
- Product industrialization from concept to production

This is a training position with a long term view of developing future management potential for the company. Lindsay Africa encourages further development through study assistance.

Interested candidates can forward their CV to [edu.aggenbach@lindsayafrica.co.za](mailto:edu.aggenbach@lindsayafrica.co.za)
